

LEVERAGE to Attend IACP 2013 on October 20th – 22nd

LEVERAGE is attending the Annual International Association of Chiefs of Police Conference and Law Enforcement Education and Technology Exposition at the Pennsylvania Convention Center on Oct.20th through Oct. 22nd. The company will present its comprehensive surveillance solution that integrates video in the policing process, allowing for real-time response to real-time crime.

Dates: Sunday, October 20th 10:00AM – 5:00PM
Monday, October 21st 10:00AM – 5:00PM
Tuesday, October 22nd 10:00AM – 2:00PM

Location: Pennsylvania Convention Center Halls A-E

Booths: 860

Description: During the conference, LEVERAGE will demonstrate its Video Management Suite (VMS) solutions. This security hardware and “command & control” open-standards based software is a crucial part of the intelligent unified video surveillance platform. LEVERAGE solutions deliver the high quality video, enabling real-time response to real-time crime.

LEVERAGE will also demonstrate its latest solution – Mobility Express – that enables surveillance mobility. This solution, among other benefits, allows for relocation, easy install, reduced liability exposure and improved video evidence. Guests will be able to see it in action and view a live video stream.

About LEVERAGE:

LEVERAGE has years of experience successfully delivering purpose-built public safety surveillance solutions for police and fire department, community park, school and business use. Working with industry and emergency response leaders, LEVERAGE has developed surveillance solutions which have proven in use to dramatically reduce crime, improve public safety, and heighten trust between law enforcement and the community, all while reducing costs.
