

## **LEVERAGE to Attend WASPC on May 21<sup>st</sup> – 22<sup>nd</sup>**

LEVERAGE is attending the Washington Association of Sheriffs and Police Chiefs (WASPC) Conference at the Tacoma Conference and Trade Center on May 21<sup>st</sup> and 22<sup>nd</sup>. The company will present its comprehensive surveillance solution that integrates video in the policing process, allowing for real-time strategic response to crime.

**Date:** Tuesday May 21<sup>st</sup>- 1:00 PM to 9:00 PM and Wednesday May 22<sup>nd</sup> – 8:00 AM to 1:45PM.

**Location:** Tacoma Convention center

**Booths:** 405 and 407

**Description:** During the conference, LEVERAGE will demonstrate its VMS solutions that deliver high quality video that is essential for public safety, enabling real-time situational awareness and real-time response capability. Advanced features provide instantaneous and predicative response to undesirable acts of nonconformance.

LEVERAGE will also demonstrate its latest solution – Mobility Express – that enables surveillance mobility. This solution, among other benefits, allows for relocation, easy install, reduced liability exposure and improved video evidence. Guests will be able to see it in action and view a live video stream.

### **About LEVERAGE:**

LEVERAGE has years of experience successfully delivering purpose-built public safety surveillance solutions for police and fire department, community park, school and business use. Working with industry and emergency response leaders, LEVERAGE has developed surveillance solutions which have proven in use to dramatically reduce crime, improve public safety, and heighten trust between law enforcement and the community, all while reducing costs.
